The Curtis Culwell Center gives event planners and promoters the tools they need to let their creativity run. Our experienced team – sales, event and operations – work hand-in-hand to guide clients through the event process from concept to “showtime.”

Events that happen here touch the lives of so many. Proud parents inspired by graduations, outstanding fine arts or athletic performances; captivated audiences forever changed by inspirational music and words; motivated employees encouraged by new product launches and business announcements; families united by religious celebrations; friends elated to celebrate with each other – we know what we do makes a difference.

We opened our doors in 2005 and now bring together close to a million people every year to enjoy events including graduations, concerts, performances, athletic competitions, tradeshow, corporate meetings, weddings, reunions, church services and other social and community gatherings.

Event planners and visitors to Curtis Culwell Center are welcomed with open arms into a sleek modern facility that was built with the end-user in mind. With a full conference center and arena, we offer flexible space and a creative team ready to help take events to the next level. The Curtis Culwell Center team is ready to help you create the perfect event!
